Hello Sub Sig members and friends,

A few more trips will be added to the [calendar](#) on the www.subsig.org website. Cabin trips are open to everyone if space is available. Contact the trip leaders for more information and to register. Don't let the term "mud season" deter you from enjoying the WMNF. Spring hiking can be spectacular.

Thank you for managing safe and welcoming trips for a diversity of people and activities!

Reminder: Apr 14 Member Townhall Sunday at 7pm.
