_____ Go New England	_____ Other: _____	

Membership dues may also be paid to the leader during a trip. Trip participants who become members by paying dues during a trip will be charged the member rate for that trip. Annual memberships expire each October. Dues are expected to be paid by the annual meeting in October. Prior to October, renewals count toward the current membership year, which expires in October. **New** memberships (only new members — not members rejoining) started after Memorial Day will continue through October of the following year.

To receive the member rate for the cabin, current-year dues must be paid. E-bulletins will be sent to all members, unless there is a hardship exception granted.
